Omaha Telegraphers Will Stand by Organization.

Omaha, Neb., June 23.—At a meeting of ocal No. 10 of the Commercial Telegraphers' Union of America today, resolu-tions were adopted fully endorsing the ac-tion of President Small in connection with the San Francisco trouble. Steps were taken to see to the enforcement of the Nebraska law providing a penalty for of-ficials of corporations who use intimida-tion of any kind against members of la-bor unions or secret societies. The matter was brought up through the report that a superintendent had recently come to this city and endeavored to secure the promises of the men to withdraw from the union, and who is said to have used strong language to those who insisted on standing their ground.

Two Carloads of Men Pass Through Sacramento.

Sacramento, Cal., June 23.—Two car-loads of strike breakers, guarded by Pink-erton detectives, passed through this city at 3:30 this afternoon for San Francisco.

The hands of most of the men indicated that they were not laborers. None stopped in this city.
